

Application No. 10/065,278
Filed September 30, 2002

REMARKS

A minor correction has been made to Claim 36 in order to correct a typographical error. No new matter has been added to Claim 36.

Specifically in Claim 36, the word "staggered" has been deleted and replaced with the word -- random --. Support for the amended language is in the last line of paragraph 0014 of the Specification. The amendment obviates that Claim 36 was redundant to and the same as Claim 33.

Respectfully submitted,
